

The difference is **dramatic!**

No one does drama like DRAMA KIDS, the most sought after drama program for children in the world, where every child is a star!

To be happy and successful in today's highly competitive world, your child needs to be confident and articulate. Whether destined for the stage or the boardroom, DRAMA KIDS prepares children and young adults to speak up clearly with confidence, putting them on an easier path for lifelong success. In our award-winning, copyrighted, developmental drama program, we use the fun and creativity of drama to teach fundamental life skills: presentation, speaking, both verbal and non-verbal communication, team work skills (leadership, discussion, negotiation, compromise), quick on-your-feet thinking and, above all, confidence and self-esteem.

Our classes are fast paced, great fun, and have new activities each week including:

-  Improvisations
-  Mini-scripts
-  Speaking skills
-  Character analysis
-  Creative movement
-  Theatre games
-  Mid-year and spring performance!
